Welcome!

This year we celebrate our 40th year as a trusted dance studio. We are proud to continue our tradition of offering a fun and nurturing environment for all who seek to have dance in their lives.

Whether for recreation or as a foundation for a career in the arts, JoAnn's Academy of Dance offers professional instruction for all ages and skill levels.

Students ages 3 to 103 will enjoy themselves while learning from our experienced staff (actually, our oldest dancer is only 90 years young!).

Our positive environment has encouraged many students to move on to college theatre and dance programs as well as taking them into careers in the performing arts.

Our alumni can be seen dancing in professional companies worldwide as well as on the stages of Radio City Music Hall, The Metropolitan Opera and several Broadway shows.

We are pleased to offer classes in tap, jazz, ballet, pointe, lyrical and hip-hop.

Small class sizes and personal attention help students feel right at home in our beautiful dance studios at the Patrizio Center for the Arts.

We hope you will join us for our 40th year of dance!
